

Giles Xpress-peditor Model LT-4-C Countertop Landing Table System

With
Cutting Board
in use

The versatile *Xpress-peditor Counter-Top Landing Table System* offers multi-functional support for busy foodservice operations.

- Countertop Dump Station; sets up easily without tools. 18" x 26" Sheet Pan, Full-size Steam Table Pan and Grate, and 15" x 20" Cutting Board included.
- Easily dump cooked product directly into a serving pan, **reduces spillage and waste**.
- Use as a **FIFO rotation system** - place pan of fresh product beneath the funnel ... dump older product on top of fresh (FIFO), then place the full pan for serving.
- Place the Cutting Board inside the funnel to create an additional work surface.
- Durable stainless steel construction. Clean-up is quick and easy; nothing to disassemble.

Design Features

Nest full or half pan in funnel ... dump cooked product directly to pan for serving.

FIFO rotation system ... place full pan of fresh product under funnel ... dump older unsold product on top, then place pan for serving.

Put an 18x26 Sheet Pan on top of funnel and use the provided 15x20 Cutting Board as an addition prep station. Drippings and scrap are contained in the pan, making clean-up quick and easy.
