

PROVEN & TRUSTED SINCE 1952

Electric Rethermalizer

EOF-BIB

The EOF-BIB is an easy to use, electric water bath rethermalizing appliance. It is designed to safely thaw and heat frozen pouches of "ready-to-eat" foods to proper serving temperature. A controlled water temperature of 200° F keeps food ready to serve for an extended time.

- 20" cooking vat with a 16 gallon water capacity that holds ten (10) to fourteen (14) 5-lb pouches of product.
- Simple to operate digital thermostat has a temperature range of 70° - 200° F max.
- 12,000 W cooking power for fast recovery time and high productivity.
- Constructed of durable stainless steel.
- Heavy-duty swivel casters provide easy maneuverability and locking front brakes ensure stability.
- 2-Year Parts & Labor Warranty

Design Features

Digital Thermostat

The simple to operate digital thermostat accurately controls cooking temperature with an adjustable setpoint range of 70° - 200° F.

Swivel Casters

Heavy-duty swivel casters provide maneuverability and locking front brakes ensure stability while the unit is stationary.

Standard Items Included

- Vat Screen with Handles
- Heat-Resistant Pot Brush
- Heat-Resistant Drain Clean Out Brush
- Drain Clean Out Tool
- Heat-Resistant L-Shaped Element Brush
- Stir Paddle
